

December 2018

**Reminder About Filing Deadlines**

*Partnerships (1065) and S Corporations (1120S) are due on **March 15.**  
C Corporations (1120) are due on **April 15.***

**New 1099-MISC Penalties**

Congress has gotten serious about taxpaying entities not issuing 1099 forms. In many cases the penalty could be as much as \$1000 per each omitted or incorrect 1099-MISC. A 1099-MISC is required whenever you pay a non-corporate entity (person) \$600 or more in one year in business transactions. The 1099-MISC must be provided to the recipient by January 31, 2019, and **this year, the IRS' copy must also be submitted by January 31, 2019** or those penalties will apply. The problem you may encounter is those sub-contractors that don't want you to issue them one, so from this point on, make sure you get them to fill out a W-9 form **BEFORE** you issue them a payment.

**Tax Return Information Needed**

In order for us to prepare your tax returns and/or financial statements, we will need the following information from you as soon as possible, even before December 31.

1. Copies of any new bank loans obtained and any new leases signed during the year
2. List date, amount, and individual of any new investments made into the company this year
3. Copies of any federal or state tax correspondence received during the year
4. Copies of any equipment purchases or repair invoices over \$1,000
5. Loan payoffs, by loan number, of all business loans at December 31
